ALEXANDRIA MARKET, Oct. 8.—There is no change to note in the market since yesterday. Flour is dull and quiet. Wheat is quiet and easy at about yesterday's quotations; the offerings amounted to but 200 bushels, and sales were made at \$2.01 for common to choice lots. No Corn of Rye offered, and one small lot of Oats brought 31.

BALTIMORE CATTLE MARKET, Oct. 7, 1878. [Cattle are sold at these figures live weight, dogs are sold at 20 cents, and sheep at 20 cents (generally) off from the live weight. Sheep are sold gross, that is live weight, or nothing off.] Beef Cattle—Prices to-day ranged as follows: Post Boovers..... 4 25 a 4 75 Generally rated first quality..... 3 75 a 4 12 Medium or good fair quality..... 3 25 a 3 75 Ordinary thin Steers..... 2 00 a 2 25 Extra range of prices..... 2 00 a 4 75 Most of the sales were from 2 25 a 4 00 Total receipts for the week 3687; total sales 2633. Trade to-day was not generally active, but few of the buyers even found it possible to get sheep by comparison with last week, and most of them declared it extremely dull. The wholesale market was 10 cents off from last week, and retailers thought in some cases prices in their trade a shade off, though most of them reported rates unchanged, quality considered. The grade was much inferior to the offerings of last week. The great Jewish holiday contributed largely to the dullness of the market, dealers of that persuasion, whether buyers or sellers, being conspicuously absent.

Milk Cows—Good Cows are scarce, and trade in them fair. No quote prices at \$3.50 per head, as to quality. Sheep and Lambs—The receipts have been quite light this week, and trade not commensurately improved, the market being only moderately active. There have been a very few choice sheep which have brought the extreme top price, but the offerings generally showed not much, if any, improvement on last week's receipts. We quote butcher Sheep at \$3.10 per lb, few selling at other extreme; stock Sheep 24 \$3 per head. Lambs 14 to 16 lbs. Receipts this week 2518 head.

Hogs—The receipts foot up more than double what they were last week, some 2100 being received up to Friday evening, and 2230 since then. The demand has been only moderately active at a decline of 10 to 15 cents from last week's figures. The quality was generally quite as good as was the case last week. We quote prices at 24 \$2.75 per lb net, those sold at the former figure being rough Hogs, with extra weight off, say 22 \$2.50 per lb, the usual rate being 20 per 100 lbs. Receipts this week 3633 head.

In Baltimore yesterday railway mortgages were steady, with the exception of O. A. & M. 78, in which there was a further break of 31 per cent, these bonds selling to-day at 51 1/2, against 53 1/2 on Saturday.

Some first mortgage bonds of the Potomac Fredericksburg and Piedmont R. R. were sold in Fredericksburg last Friday for 6 1/2.
